SORIN CERIN – CONTEMPLATION

- 1.** Silence is, the deepest cry of the heart.
- 2.** There is greater silence, than in the love that can not cry her restlessness.
- 3.** Alongside death we understand that silence is the biggest cry, of our lives.
- 4.** The longing for you means the cry of blood of my feelings which is silent, shouting the inability of his own, infinite moment.
- 5.** We are born into the world where the silence shouts loudest.

SORIN CERIN – CONTEMPLATION

- 6.** There is not greater truth than silence in this world where reigns the compromise.
- 7.** Without the silence of your heart, I would be a dead alike of alive, as well is the silence in the eyes of the world, which not its forgive never own destiny.
- 8.** What kind of silence is death?
- 9.** Where I could understand the God's silence when I ask him why left us the original sin?
- 10.** A God who is not silent, is a God who has not prestige, and no power over man.
- 11.** Which silence is more silent than the restlessness of death?

SORIN CERIN – CONTEMPLATION

- 12.** In what space may be silent the watch of the smile of our love forever?
- 13.** Fear is a silence of the knowledge.
- 14.** The limit between life and death is called silence.
- 15.** Truth is the culmination of silence between good and evil.
- 16.** Without silence, the freedom would become the defunct of the existence.
- 17.** The good is the silence of the evil, as well the silence of good is the evil.

SORIN CERIN – CONTEMPLATION

- 18.** Exists not final without silence, as well as beginning without shout.
- 19.** How much silence, can comprise the embrace of the truth in front of death?
- 20.** We are born to understand the complete silence of the Original Sin.
- 21.** What else than silence, can remain from the dust of some eyes, which an entire life did not understand the true meaning of love?
- 22.** Of how much silence, would we need to can die, for to teach the true sense of death?
- 23.** The quietness becomes silence only when no longer has nothing to say her own cry of pain.

SORIN CERIN – CONTEMPLATION

- 24.** Happiness is the heart of silence whose suffering no longer can shout.

- 25.** Freedom is the balance of the deafening silences from us.

- 26.** The main passion of the hope remains the incomprehensible, of its own silence, when it comes, to is fulfill.

- 27.** Someone has ever counted, how many times had silent God, after the Word who created us tributaries of the sin?

- 28.** Let us leave the silence to shout the love from the cathedral of the eternity of a kiss.

- 29.** Of how much silence, would need the true happiness in this world?

SORIN CERIN – CONTEMPLATION

- 30.** We are full of illusions because we do not know to be silent, dying with each moment a little.
- 31.** You can not exist happy, without to you perfects your own silence.
- 32.** The limit between light and silence is called the compromise of the illusion of life, towards death.
- 33.** You can not shout enough hard, without to shut up.
- 34.** The great happiness, springs from the pain of the silence.

SORIN CERIN – CONTEMPLATION

- 35.** Are an illusion for which silence becomes the spring of happiness, and the inferno, the gate toward paradise.

- 36.** You can not try life without to it scrutinize the silence of the deaf pain, of the truth, that will be never known and is called existence.

- 37.** How far is the silence that its shouts the tear of love of the cold our words?

- 38.** Who does not hear the heartbreaking silence of the stars, on the vault of his heart, has not been born for to love.

- 39.** Does not exists war and peace without silence.

- 40.** By silence the soul finds its own cry.

SORIN CERIN – CONTEMPLATION

- 41.** When words are silent, can finally to speak.
- 42.** Only silence, yourself can learn to say no when you want to affirm something from all your heart.
- 43.** Life, no matter how tumultuous would be, is a great silence, and, death a great cry in front of life.
- 44.** Every step made in love, no matter how much would shout, all in silence will be dressed.
- 45.** There is no greater truth of this world than, to understand the silence, that booms in waves of life, that is break of rocks of our own destiny in the whirlpool of vanity.

SORIN CERIN – CONTEMPLATION

- 46.** Who would ever die for silence, even if this would be worth the most in the world of vanity?
- 47.** The reasoning is the measure of silence.
- 48.** The silence of the crying eyes, from the eternity of the moment of our love, is the ballad of sun, which and has lost its own moon, forever.
- 49.** On shore of the silence do not ever step crooked, if you ever want to yourself retrieve on yourself.
- 50.** I worship to the silence which can to comprise me in the arms of lost truth about the world inside me, face of which I am often a stranger.

SORIN CERIN – CONTEMPLATION

- 51.** How much eternity, can hold, your love stuporous in my thoughts?

- 52.** We are alone in front of the eternity, regardless of moments, that us rust the soul.

- 53.** I adore you, eternity, because teach me to die faster than would done it God in His creation.

- 54.** How much eternity, we can drink before of the death?

- 55.** Eternity is the limit of the lechery of God.

- 56.** Through eternity we become handcuffed by the volition.

SORIN CERIN – CONTEMPLATION

- 57.** There exists not eternity without death.
- 58.** The limit of the eternity is life.
- 59.** Happiness is a law through that the eternity can die.
- 60.** Not the eternity can understand death, but life.
- 61.** We are a chance given to eternity through the life who not knows to die, than by its original sin.
- 62.** Without eternity, the entire good, would become a false evil.

SORIN CERIN – CONTEMPLATION

- 63.** The space of the eternity it would empty if we not knew torture of life, which its awaits the death.
- 64.** The eternity is a range without repetition.
- 65.** If life would not pass through moments rotten by sin, death would not become eternal.
- 66.** How much beauty can to die in the arms of eternity on which a wants every life.
- 67.** We are alone because exists eternity.
- 68.** There exists not clouds that to do not chase the shadows of the sin in the arms of eternity.

SORIN CERIN – CONTEMPLATION

- 69.** Eternity is the thrill of the longing fallen at the feet the forgetfulness of self.
- 70.** Without eternity we will not learn to die never.
- 71.** The eternity makes to die, her own death, becoming life.
- 72.** There exists not eternity without Knowledge.
- 73.** Death is the knowledge of the eternity.
- 74.** What would make the memories, without their hearts?
- 75.** How darkish, can be the ways, that look not towards the horizons of hopes.

SORIN CERIN – CONTEMPLATION

- 76.** God is the man's instinct to aspire to Absolute Truth.
- 77.** Nobody can be nobody as long as God exists.
- 78.** The world is an amnesiac miss forgotten by God.
- 79.** Silence is the highest measure of the cry.
- 80.** Man is a fight that wants to defeat happiness at his feet. Therefore remains unhappy.
- 81.** You can not know which shard of your thoughts, it has ever seen really on God.

SORIN CERIN – CONTEMPLATION

- 82.** Who believes in flight, in the wings of thoughts, will believe and in freedom.
- 83.** Loneliness is the boundary between man and his God.
- 84.** Being yourself means before of all, to understand your death and to him forgive on God.
- 85.** I do not think that there may be a fault of someone, apart from God's fault.
- 86.** And which stone, can be thrown in our sins, whose creator is the God of this world?
- 87.** You can not die kissing the eternity of the lips of great loves than guilty.

SORIN CERIN – CONTEMPLATION

- 88.** Which meaning, can be without sin?
- 89.** No one can be banished from the house of God, which is this world that we all die.
- 90.** And why twilight of dreams would become the morning without of sins, in front of God?
- 91.** Lord how much need, I have of You, when yourself retrieve hidden in depths of the sins of my life.
- 92.** I'm foreign of me, because God failed to understand me.
- 93.** On how many streets of this world, my destiny given by God will more rove?

SORIN CERIN – CONTEMPLATION

- 94.** Lord you are a vanquisher defeated by my own love for you, because I have sinned.
- 95.** I will always remain eyelid of the soul of God, which wants to cover his look over the eternal sin inside me, and the world of our vanity, becoming believer.
- 96.** Which kernel, has not his grain of sin?
- 97.** Which mill, has not grinded, vanity in front of the eyes of God, who understood love, as being without sin, while we are the sin which loves?
- 98.** Let me Lord to die beyond of the wisdom the sin.

SORIN CERIN – CONTEMPLATION

99. And how many infinite words, would more be succeeded, God to tell for to make a world without sin? Perhaps none!

100. We are a fragment of life, on tired eyelash of the death.

101. Please angel of my destiny shows me the wings toward the eternity in the heart of God.

102. Which star and would lose its brightness, and which God would not always have right?

103. God is all that's more left truly from us, subjected the tears, what seems, to not understand what seeks the sin in this whole equation.

SORIN CERIN – CONTEMPLATION

- 104.** God's limits are the limits of love within us.
- 105.** Do not try to believe in life before to him ask God, why he let death.
- 106.** Which rock will not ever break, and which God will exist beyond us?
- 107.** How many moments have been born, at the creation of the time, which to him understand on God?
- 108.** Time is the finite hermit who him will seek his entire life on the God, who can not die not even a moment from him.
- 109.** Why would I be the chosen of your heart, once I have chosen the path of this world vain by destiny?

SORIN CERIN – CONTEMPLATION

110. Where exists the beginning of the eternity, or the end of the God, in love?
111. To be alongside you means to believe in me and in the God of our love, who will become the religion of the divine light in me.
112. And where would more beat the heart of your destiny, without my love?
113. Your loneliness would be a death, about which, not even God, would not more know anything without me.
114. Where do you think that exists happiness besides the eyes of frozen words, from my soul, which will not to recognize the queen of my heart, that burns with the desires of this world?

SORIN CERIN – CONTEMPLATION

115. Please, let me the death to become the
kiss of my quietness.

116. Do not know which is the power of
love, but I understand the future death.

117. Without you, I'm lost among the
moments of hopes, that no its longer find
meaning.

118. Please angel from the heaven of my
dreams fly with my thoughts towards the
eternity of your dreams.

119. And where do you think death could
ever die?

120. Alongside me, you will remain, sky of
love of my heart.

SORIN CERIN – CONTEMPLATION

- 121.** What shore does not loves his waves,
 and which love has not its the angels of her
 heart?
- 122.** Where could I ever find the truth from
 the whirl of eternity of your gaze?
- 123.** Happiness without the steps of your
 heart is a railroad with ghost railway
 stations.
- 124.** What I may be missing from your
 smile besides death, because I can not live
 without you?
- 125.** What moment of death can exist when
 you exist in my heart?

SORIN CERIN – CONTEMPLATION

126. And if you would be eternal and I would be finit, you think that you would not seek your whole eternity, death?

127. The true maturity consists in to looking at the world-eyed child.

128. Eagles of the existence are feeds with death the words of us.

129. What limit, can to exist between the horizons that can not be comprised by the hearts of our thoughts?

130. Freedom is the essence perfected only through death.

131. Traces of life are lost in the desert of memories, which want to be eternal through death.

SORIN CERIN – CONTEMPLATION

- 132.** I believe you, love, because through you, the God, who yourself created, has become a being in my soul.
- 133.** The dawns of the divine light from our love came forever, until beyond death, seen thus, only by life.
- 134.** When we look at eternity, we give life, to death.
- 135.** I'll write to you, with feather detached from the wing of our love, how much I love you.
- 136.** What destiny, has not his path, on which not is will more return never.

SORIN CERIN – CONTEMPLATION

137. Do not run from the cold shirt of death, if you not want to wander through the cold the vain words of this world.

138. We are a path that and always search happiness, traversing, harsh lands of the suffering.

139. Who could ever forget truly the suffering of the life without death? And however, why do we want the afterlife?

140. Between me and love is an undefined space of holiness who him seek God.

141. Why has God put happiness in the basket of the suffering?

142. We should us ask, how much suffering lies in our happiness?

SORIN CERIN – CONTEMPLATION

- 143.** Only inside me, I can be really far from the vanity of this world.
- 144.** The sunrise means death for night, and rebirth for day, as well the life is death for death.
- 145.** The whole wisdom of the world consists in its lack of sense.
- 146.** Great values of humanity are the personages or scene, which compose madhouse.
- 147.** The world is so crazy, that in her own madness, not realizes this.
- 148.** Madness has reached the moral value in the world of the vanity of our lives.

SORIN CERIN – CONTEMPLATION

- 149.** Madness is an example of conduct of majority of this world.
- 150.** If would realize the world, madness in which it struggles, would choose to die.
- 151.** The one who run toward the true happiness, flees towards the supreme madness of the world.
- 152.** Each its live the own loneliness, before of the God of its feeling.
- 153.** There exist not waves that to not be shot down by the shores of the hopes.

SORIN CERIN – CONTEMPLATION

- 154.** Who is bends on the storms those who him want the help, will understand and the smile of a flower.
- 155.** There exists not inspiration without God.
- 156.** Great revelation of this world consists in the remembrance of the unknown moment of death.
- 157.** If life not and would remember the death that seems to forget everything, would not existed.
- 158.** Which doctrine, recognizes that truth known to man is an illusion, and the philosophy that claims to tell the truth is a lie?

SORIN CERIN – CONTEMPLATION

159. True doctrine is one that recognizes that not exists teaching that to know the Absolute Truth.

160. Freedom is the relativity, given by mendacious truths of the Illusion of Life.

161. Man knowledge is like the wing that not flew never on the wings of the Absolute Truth.

162. Once we do not know really the life, how will we succeed to know what death is?

163. Eternity is eternal life of the time which has enlivened us, with the feelings of God in us.

SORIN CERIN – CONTEMPLATION

- 164.** As exists not a tear without her God,
and nor a smile without his God, all thus
can not exists life and death without God.
- 165.** Nothingness is the currency, gnawed
by time, of the vanity of this world, which
seems a serious accident of the Creator.
- 166.** The great original sin should be
happyness of mankind which, and found
the eternal love in the bed of the suffering.
- 167.** When you will realize that the
remoteness can be nearness, life can be
death, happiness can be suffering, you will
succeed to understand the tears of the
world.
- 168.** To love life, means to believe in the
rain without clouds and in horizons that can
be kept in fists of a smile.

SORIN CERIN – CONTEMPLATION

169. Only death can learn to die in this life!

170. There is no loneliness without the guilt of the crowd that a acclaim.

171. What could be the truth before of the lie?

172. The madness is the truth forgotten by the lie of the perfection, which in her turn is the perfect lie of the illusion of life.

173. Which spaces, can become truthful before of the lie?

174. Existence is a caprice of the unknown of the knowledge.

SORIN CERIN – CONTEMPLATION

175. Which stranger of yourself, thee
would more may become ever a parent
besides death?

176. How indifferent, we are toward the
life that gave us the death what us shudder?

177. What we leave behind us, than the
same infinite, that brought us on the world
of the finite which dies after the liberty of
to become he himself, an infinite of the
life!?

178. Why we seek the life even and
beyond of the limit of the death?

179. Life is a great lesson, of the death
from her soul.

SORIN CERIN – CONTEMPLATION

- 180.** Beauty has always fed the fear of death.
- 181.** Only eternal moment loses its wings, remaining in the death which we believe the great flight.
- 182.** Happiness is one of the meanings of the madness of life that forget death on the sky of the soul of your eyes.
- 183.** Would more existed suffering without knowledge, but happiness and sin, sacred, and profane?
- 184.** Only the saints of the clouds of the suffering, can believe in the rain of the dreams of happiness, that us floods the life of our moments with the sun of the hope.
- 185.** Last frontier of freedom is death.

SORIN CERIN – CONTEMPLATION

186. Without freedom, death would become banality.

187. Only through freedom, death becomes credible.

188. There is no freedom, that to not is ending in her own death, the same as and life, which is a crazy game of the death with the portion of freedom of the life.

189. Happiness is a portion of freedom digested more or less by the destiny of each.

190. Freedom is often a drudgery if is permitted and obtained without a fight.

SORIN CERIN – CONTEMPLATION

- 191.** Only the one who will have the liberty to die without fear, will understand that the meaning of happiness, is perfected through death.
- 192.** Through life, God has given us the freedom of suffering.
- 193.** What namely freedom has learned us in this world, than that, in the end we will can die?
- 194.** Through freedom we learn how much we longer lacks, to become happy.
- 195.** We are free to hope, to love, to believe, but we will never be free to us fulfill life through death.

SORIN CERIN – CONTEMPLATION

- 196.** Freedom is the compromise on which it life makes with death through destiny.
- 197.** How many hopes, not and put the dawns, in the beauty of a new day, often forgetting that, only sunsets will know her destiny.
- 198.** Knowledge is the freedom to be aware of past, and to hope in future.
- 199.** We can not be with anything happier if we receive immortality, and we remain with sin through which it identifies life, transforming him from mortal sin, in an immortal sin.
- 200.** Knowledge is a sin given by God to this world, for to hope at happiness, through suffering.

SORIN CERIN – CONTEMPLATION

- 201.** Inferno is a necessary evil this world who aspire toward happiness.
- 202.** If the world not and would be created her own inferno, would be become she, an inferno.
- 203.** Does God has toiled at least a single day on this earth?
- 204.** I would understand the life, if not it would prostituted with sin, and would not become the slave of the death.
- 205.** A life where not you would miss anything, or them have had on all, would become a perfect inferno.
- 206.** Happiness is the alchemy through which you can maintain inner peace.

SORIN CERIN – CONTEMPLATION

207. Beyond the harmony of colors of hope, will always be the darkness of reality.

208. I went toward the retrieval of the twilight, broken in shards of memories of our love, bloodied with spots of oblivion.

209. I can not believe in the infinity of your heart without him ask God, if sin and death are an evil or a good on the sky of this world.

210. The sunrise of your eyes became the sun of my heart.

211. I do not believe in happiness that does not and understand her own suffering that gave him life.

SORIN CERIN – CONTEMPLATION

- 212.** I think that God would give anything to be able to forget this world on that created a, it so wrong.
- 213.** What faith not its has her boundlessness reported at love, becoming religion?
- 214.** There exists not happiness that has not ever sinned.
- 215.** The world is a great bazaar of the suffering with the doors, of shops where it more find a bit of happiness, most often closed.
- 216.** The most beautiful part of life is that you can hope in salvation of the sin to exist.

SORIN CERIN – CONTEMPLATION

- 217.** Love is an exercise of sin of this existence with thyself.
- 218.** At the happiness meal, prices are too high for us humans.
- 219.** Only death can truly understand the original sin that does not asked us if we want or not, to us born in his arms.
- 220.** The most of price gift, of the original sin of this world, is the love and, the God found through it.
- 221.** How would God look without the original sin, would more can be love, we would more can to love?

SORIN CERIN – CONTEMPLATION

- 222.** We are an illusion which is transformed in reality, through feeling, and in eternity, by love.
- 223.** Friendship with God is the peace with yourself.
- 224.** The sentiment is the whirlpool where the God in us, its washes the clothes of His own nature.
- 225.** Harmony of the world is her freedom of to suffer, becoming happy, because can choose the indebtedness with pain, to become happy.
- 226.** Was there ever a God who does not promise of the hope from our souls, nothing?

SORIN CERIN – CONTEMPLATION

227. Only the one who climbs the mountain of the suffering will succeed to descend the slope of happiness, until his foothills, looking on how much has to climb for to be again happy.

228. There is a limit of the progress in the world of suffering which seeks most often happiness in the freedom to suffer?

229. Freedom of to suffer is the apogee of happiness of this world.

230. The moral is a realm through which man wants to him understand God more almost to him.

231. Do not waste the time of the God inside you, but leaves him to love.

SORIN CERIN – CONTEMPLATION

232. We were born into the world where the horizon of peace with yourself becomes most often a great unknown, the same that and love, absolute truth, or the freedom to understand the true meaning of the illusion of our life.

233. Which is the view of God about his own creation, which is our world, once we live the illusion of life doomed to original sin?

234. Why the moments gnaw the years, in search of ourselves toward death.

235. I can not believe in the happiness of salvation without to understand the absolute truth of original sin.

236. If we would understand the absolute truth, would him forgive on the God, for all the evils of this world imperfect?

SORIN CERIN – CONTEMPLATION

237. To live the truth of lies means to you appoint, man!

238. What else is truer than the truth of lies, of this illusion of our life, compared to the truth absolutely unique?

239. You can not understand life searching absolute truth on which you not it will find never, being the incomprehensible part of God, on who him can know only through love, that is the unique image of absolute truth given to this world.

240. If the true lie of the creation, which is the man, would not aspire toward truth, would more exist the saints?

241. The repentance of your spirit at the feet of your body is called peace with yourself, and the repentance of body in

SORIN CERIN – CONTEMPLATION

front of spirit, becomes the seeking of the God in you.

242. Were opened, ever, the locked doors of happiness, without the help of hope?

243. No matter how grandiose would God be, without knowledge He would not exist for us.

244. God is above all knowledge dressed in the mantle of love.

245. An unknown God, is a God non-existent, and how, knowledge has both the good, how and her evil, the original sin was a necessary evil to existence of the illusion of our life.

246. A society forsaken by God is a society that believes in the peak of glory.

SORIN CERIN – CONTEMPLATION

- 247.** What religion, him closer on man of God, selfless?
- 248.** What interest had God, to create this imperfect world?
- 249.** The world is a perfect imperfection of the creation, imperfection through which God became perfect.
- 250.** The entire peace of the God of us, not and would more had sense, if would not exist the fight with life.
- 251.** With every moment of love we him rediscover on God, but do not forget that the purpose of the moments, is the one to gnaws, the body of the years of our lives.

SORIN CERIN – CONTEMPLATION

- 252.** The true eternity of our souls lies in the moment of birth and of death, the rest is illusion.
- 253.** How many illusions helps the heart to beat in the vanity of this world?
- 254.** The future is a forgotten past on moment, by present.
- 255.** The sword of the word of God's creation is called destiny.
- 256.** What dream, not and has his reality, and life, her death?
- 257.** Dream becomes reality, when you remain definitive in it.

SORIN CERIN – CONTEMPLATION

258. The world becomes real only through knowledge.

259. Through knowledge each man becomes a Demiurge.

260. A God who not knows, does not exist.

261. Above of knowledge, and above of creation, look the basic attributes of God.

262. A God, understood and loved is not necessarily and a good creator.

263. At the essence of perfection is reached through love, but to love, the perfection, not mean that perfection in her turn, must to you love on you.

SORIN CERIN – CONTEMPLATION

264. How far is, God from the one who is wants a God.

265. God's happiness can not be equal to man happiness because the knowledge of God differs from that of man.

266. God would have to be good for us only in measure in which the knowledge and our senses coincide with the absolute of knowledge and God's senses.

267. Which wave, will not find its shore, and which soul will not return to God, waking him up from the tumultuous dream of this world?

268. God from us is eternal life from each, to whom we speak, knowing that He is true life, alongside which us we will integer in the moment of death.

SORIN CERIN – CONTEMPLATION

269. True madness is to yourself feel alone and desolate in this world, forgetting the God of your soul, of the absolute of the eternity and love from Him.

270. The great and true, love stories are before all, the great shortages of God of each, supplemented through the God of the other, because the perfection of God consists in the sublime of his imperfection.

271. A perfect God is absolutely of imperfect.

272. The God inside us is the Divine Light who gives us the life, which we should a sanctifying with love.

273. To understand this world means to thee find the Divine Light of the God inside

SORIN CERIN – CONTEMPLATION

you, who gave you life, and who not yourself will leave never alone.

274. In the God, inside you, there are all your ancestors, who have loved and suffered so that you to exist, through destiny denouement, of the Divine Light, of your life.

275. The great loves are the great imperfections, of which has need, the God of the two lovers, to become perfect.

276. Wherever the God begins, is ending any logic.

277. How would look a perfect world without imperfection, without unpredictable and desolating, without ugly and evil, without sufferings? It would more be a world that would know happiness?

SORIN CERIN – CONTEMPLATION

278. Each we want the boundlessness, we are greedy without to we understand that the river needs banks of his, and, the ocean needs shores, and we, have need limits.

279. Life who do not Him understand on the God of the Divine Light from she, is a flight with broken wings, regardless of social position or wealth.

280. Man created ill societies because he forgot the God of Divine Light from he.

281. Each man is saint, being the result of generations of ancestors, but not each man its understand and respects the holiness from him, becoming alienated of himself.

282. Even if death is the true house of the God of the Divine Light from yourself, not you are the one who must choose the moment when is will open her gates. Leave

SORIN CERIN – CONTEMPLATION

yourself received, then when the Divine Light will decide, being more above than you.

283. If man would not have a sense would not exist.

284. Existence is the meaning of the freedom to know the limits.

285. The illusion is a reality of the moment, while reality, is an illusion of eternity.

286. The entire cloak of dreams of the world it would unweave without the God of the Divine Light within us.

287. The dawns will come when we will awaken from the life dream, and we will

SORIN CERIN – CONTEMPLATION

realize how much we be could love, but we never did it enough.

288. The unique currency of the God of the Divine Light is the love.

289. There can exists many gods, than only One, as there can not exists, more infinities, more absolutes, or, more eternity, even if all these are in each of us.

290. Differences, diversity, uniqueness each of us consists in how we approach of the God of the Divine Light, who becomes unique to each of us, and an all for world in its assembly.

291. The madness of human societies was triggered when man was felt lonely, forgetting of the God of the Divine Light from him.

SORIN CERIN – CONTEMPLATION

292. Why do people forget the God of the Divine Light of them, why it were distant from This, really, not with purpose to be easier to control by occult of petty interests?

293. Who can ever heal the paranoia of human sick societies, than the God of Divine Light of every man, built to become a temple of love, and, not a swamp of the diabolical hierarchy of some petty interests?

294. History is a continuous fall from the arms of God, in the misery of society.

295. The heaven of heart can not never be lied.

296. The absurd of the existence became from a state of mind, a necessity in our sick society.

SORIN CERIN – CONTEMPLATION

- 297.** Beauty is above all a weakness of conscience.
- 298.** What can be destiny than an obscene bargain between life and death?
- 299.** The greatest achievement of humanity is the lie through which us believe conquerors.
- 300.** You can not destroy art for art's sake, and nor the world, loving it.
- 301.** The value in this world is the lack of any value.
- 302.** Not all people are people, but they all are created by God.

SORIN CERIN – CONTEMPLATION
